Tossed into my mind, stirring the calm
You splash me with beauty and pull me down

You come from out of nowhere
My glance turns to a stare

Obsession rules me - I'm yours from the start
I know you see me - Our eyes interlock

You come from out of nowhere
My glance turns to a stare

One minute here and one minute there
Don't know if I'll laugh or cry
One minute here and one minute there
And then you wave good-bye...

Good-bye

Sifting to the bottom, every day for two
All energy funnels, all becomes you

You come from out of nowhere
My glance turns to a stare

One minute here and one minute there
Don't know if I'll laugh or cry
One minute here and one minute there
And then you wave good-bye...

GOOD-BYE!
