we shall gather at the river
with eachother cause you're my brother
dip our souls in the water
for the healing of eachother
be saved, sanctified
freed from sin, to every last
fly away o'er the land
because we can
because we can

We shall gather at the river
with eachother cause you're my brother
dip our souls in the water
for the healing of eachother
be saved, sanctified
freed from sin, to every last
fly away from the land
because we can
because we can

Be saved, sanctified
free from sin, to every last
fly away from the land
because we can
because we can
