Ideal---Get Gone

Verse 1:

In the Beginning you know I tried  
to make it work for you and I  
Seems like I was always by myself  
Like you didn't never ever wanted help  
The strain you put on me, You let me down  
Can you tell me why after all I've done  
For you and I, Now i really hate to say it  
But i gotta tell you something

Chorus:

I think I better leave, (leave) you alone(alone)  
So get yo' bags (yeah) and get the hell on  
See be'cause i dont want you no more (I dont want you  
no more)  
I think you better leave (leave) me alone (alone)  
So get yo' bags (yeah) get the hell on(Get Gone)  
Because love ain't here no more

Verse2:

I don't know if it hurts to hear me say all of these words  
But then again, i guess by now i really dont care (See  
I've waited much to  
long)  
Oh always thought that it could work, thought it could  
be forever you and me  
Tell me what happened to us, Wait a minute dont  
speak,  
Right now all i want to do is see you leaving

Leave me alone (alone)  
Get yo' bags (yeah) Get the hell on (oh oh)  
'cause i dont want you no more  
Said i think I got to leave (leave) you alone (alone)  
Get yo' bags (yeah) Get the hell on (get gone)  
'cause love ain't here no more

Bridge:

See i tried to do it right  
Tried to make you see the light

All that i wanted, all that i needed was you in my life  
(Was you in my life ooh)  
Had me broke down and for what  
Tricked so many times, forgot who the real me was  
But its alright, I said its good, 'cause im gettin rid of  
you

Chorus:

I think you got to leave, me alone (alone)  
Get yo bags (yeah) Get the fuck on (get gone)  
Be'cause love don't want, you no more (Get gone)  
Said i think you got to leave (leave) me alone (alone)  
Get to steppin (yeah) Get the hell on (Get gone)  
WHOOOO Love (love) ain't (ain't) here no more

Oh leave me alone (alone)  
Get yo bags, leave the keys  
'cause i dont want you no more  
See i think you got to leave (leave) me alone (alone)  
Get to steppin (yeah) Get gone (Get Gone)  
'cause love ain't here no more  
I think you better get on, (get on), get on, (get on), get  
on, (get on), you  
aint taking the benz (get on), just get on, (get on)
