You can reach me by railway, you can reach me by
trailway
You can reach me on an airplane, you can reach me
with your mind
You can reach me by caravan, cross the desert like an
Arab man
I don't care how you get here, just get here if you can

You can reach me by sail boat, climb a tree and swing
rope to rope
Take a sled and slide down the slope, into these arms
of mine
You can jump on a speedy colt, cross the border in a
blaze of hope
I don't care how you get here, just get here if you can

There are hills and mountains between us
Always something to get over
If I had my way, surely you would be closer
I need you closer

There are hills and mountains between us
Always something to get over
If I had my way, surely you would be closer
I need you closer

You can windsurf into my life, take me up on a carpet
ride
You can make it in a big balloon, but you better make it
soon
You can reach me by caravan, cross the desert like an
Arab man
I don't care how you get here, just get here if you can

And I don't care, I don't care, I need you right here,
right now
I need you right here, right now, right by my side
Yeah yeah, yeah yeah

I don't care how you get here
Get here if you can
