Hey get rhythm when you get the blues  
C'mon get rhythm when you get the blues  
Get a rock and roll feelin' in your bones  
Get taps on your toes and get gone  
Get rhythm when you get the blues

A little shoeshine boy he never gets lowdown  
But he's got the dirtiest job in town  
Bendin' low at the people's feet  
On a windy corner of a dirty street  
Well I asked him while he shined my shoes  
How'd he keep from gettin' the blues  
He grinned as he raised his little head  
He popped his shoeshine rag and then he said

Get rhythm when you get the blues  
C'mon get rhythm when you get the blues  
Yes a jumpy rhythm makes you feel so fine  
It'll shake all your troubles from your worried mind  
Get rhythm when you get the blues

Get rhythm when you get the blues...

Get rhythm when you get the blues  
C'mon get rhythm when you get the blues  
Get a rock and roll feelin' in your bones  
Get taps on your toes and get gone  
Get rhythm when you get the blues

Well I sat and listened to the sunshine boy  
I thought I was gonna jump with joy  
He slapped on the shoe polish left and right  
He took his shoeshine rag and he held it tight  
He stopped once to wipe the sweat away  
I said you mighty little boy to be a workin' that way  
He said I like it with a big wide grin  
Kept on a poppin' and he'd say it again

Get rhythm when you get the blues  
C'mon get rhythm when you get the blues  
It only cost a dime just a nickel a shoe

It does a million dollars worth of good for you  
Get rhythm when you get the blues
