Coach said to fake right Break left Watch out for the pick And keep an eye on the defense You gotta run the give and go And take the ball to the hole Like an old school pro He said don't be afraid What 'cha waitin' on Shoot the outside "J"

l gotta Get'cha, get'cha, get'cha head in the game (repeat)

CHORUS U gotta Get'cha, get'cha, head in the game We gotta Get'cha, get'cha, get'cha, get'cha head in the game (repeat 3x)

Lets make sure That we get the rebound (rebound) 'Cause when we get it Then the crowd will go wild (go wild) A second chance Gotta grab it and go Maybe this time We'll hit the right notes

Wait a minute Get'cha head in the game (repeat 3x)

Chorus

Why am I feeling so wrong My head is the game But my hearts in the song She makes this feel so right SPOKEN Should I go for this Better shake this

RAP Should I take the ball down the middle then I shoot the shot I move fast when I dribble watch out for the block I lose focus when I think of her name I gotta get-get my head in the game

Does she think about me Does she feel the same way Should I shoot for a 3 Gotta stay in game play I think I'm going insane Can't get her out of my brain

Chorus (repeat to fade)
