"Gimme A Break"

Gimme a break, I sure deserve it.
It's time I made it to the top.
Gimme a break, I'm looking for it.
Get behind me,
Pull out every stop.

I want a happy ending,
I'm tired of pretending.
Won't let 'em get the best of me!

Oh, oh, oh,
Gimme a break!
The game is survival!
Gimme a break!
And plan my arrival!
Gimme a break, for heaven's sake!

What happened to my piece of the cake?
Gimme a break!
(Gimme a break!)
Oh, gimme a break!
(Gimme a break!)
Hey, gimme a break
