[Verse 1]

I'll be yours in springtime when the flowers are in bloom  
We'll wander through the meadows in all their sweet perfume  
And every night, I'll hold you tight beneath that April moon

[Chorus]

I'll be your girl for all seasons  
All the year through  
Your girl for all seasons  
'Cause I love, yes I love to be everything to you, just you

[Verse 2]

I'll be yours in summer when we're playing in the sand  
We'll spend the day together making love and getting tan  
And on the beach on sunset when we're walking hand and hand

[Chorus]

I'll be your girl for all seasons  
All the year through  
Your girl for all seasons  
'Cause I love, yes I love to be everything to you, just you

[Bridge]

If you fall in the fall, you'll see September can be heavenly  
If you fall, say you'll fall for me when autumn leaves are falling from the trees  
I'll be yours in winter when the snow is on the ground  
I'll warm you through December and I'll always be around  
We'll kiss below the mistletoe when Santa comes to town
