Joe:how about  
They don't know each other  
He works the night shift  
And she takes classes all day?

Here's the thing,  
They both share the same room  
Sleep in the same bed  
It works out cheaper this way.

Well, I've a feeling your just kidding  
But to me it sounds believable  
Makes a better opening than that  
Car chase scene.

Girl finds boy  
Borrowing her toothbrush  
Or oversleeping  
Or at her sewing machine

Joe: how's Artie?  
Betty:Stuck in Tennessee. It rains all the time, they're  
weeks behind.  
Nobody knows when they'll get back.  
Joe:Good.  
Betty:What's good about it? I'm missing him something  
fierce.  
Joe:No, no, I mean the idea we had is really pretty  
good.

Joe:Back to work  
Betty:what if he's a teacher  
Joe:where does that get us?  
Don't see what good that would do.  
Betty:No, It's great,  
If they do the same job  
Joe:So much in common  
They fall in love, wouldn't you?  
Betty:Yes, but if he's just a teacher,  
Then we lose those scenes in the factory  
Joe:Not if he's a champion for the working

Man. Girl likes boy she respects his talent.  
Betty:Working with someone  
Can turn you into a fan.  
Joe:This is fun,  
Writing with a partner.  
Betty:yes, and it could be...  
Joe:a helluva movie.  
Betty:can we really do this?  
Both:I know that we can
