Young man you too girlie girlie
you just a flash it round the worldie

Young man you too girlie girlie
you just a flash it round the worldie.

Him have one up here
one down there
One in Hanover
one down a vere.
One she's a lawyer
one she's a doctor

One wen dem work with a little contractor.
One down a east
one down a west
Him have one up north
and two down south
One a sell cigarettes
on the roundabout - lord.

Young man you too girlie girlie
you just a flash it round the worldie
Young man you too girlie girlie
you just a flash it round the worldie

Him have one go a school
and one fool fool
Him have one everytime
me say she thinks a she rules

One she a nurse she say she come first
The other night them going out dem pick her new
purse.
One a sell star
one work in a bar
A she can smile when the two a dem a spar

One gettie gettie
one frettie frettie
and him no drink no other milk but Betty.

Young man you too girlie girlie
you just a flash it round the worldie

You too girlie girlie
you just a flash it round the worldie

You too girlie girlie
you just a flash it round the worldie

Young man you too girlie girlie
you just a flash it round the worldie

Him have one up here
one down there
One a go a school
and one fool fool.

You too girlie girlie
you just a flash it round the worldie

A big fat one who a go go dancer
A little slim one who's a radio announcer.
One highy highy
one flighty flighty
And before him grow old
he want one a North Pole.

One in a London
one in a Japan
one in a Scotland
one in a Finland
one in a Taiwan
one in a Iran
one in a Greenland
one in a Iceland.
one in Canada
one in Uganda
one in America
one in Cuba
