All we are saying is give peace a chance
All we are saying is give peace a chance
All we are saying is give peace a chance
Everybody's talking about
Bagism, Shagism, Dragism
Madism, Ragism, Tagism
This-ism, that-ism, is-m, I don't know
All we are saying is give peace a chance
All we are saying is give peace a chance
Yeah, c'mon, everybody's talking about
Ministers, sinisters, banisters, canisters
Bishops and fishops and rabbis and popeyes
And bye-bye, bye-bye, bye-bye
All we are saying is give peace a chance
All we are saying is give peace a chance
Let me tell you now, everybody talking about
Revolution, evolution, masturbation, flagellation
Regulation, integrations, meditations
United Nations, congratulations
All we are saying is give peace a chance
All we are saying is give peace a chance
Fights for peace, yes, peace that's we need
Two men who died, too much more to feed
Total peace for the good of the kids
Why punish them for what they never did?
Forget the past and Lord shall forgive
Everything on earth has his own right to live
Whether you unlock and whether you await
Stop this and let us unite
All we are saying is give peace a chance
All we are saying is give peace a chance
All we are saying is give peace a chance
