Every day is the same day  
It never changes  
I hump the nine to five  
I do what I do just to get by  
I'm always fiending for a new life

Tonight's the night  
I'm gonna settle the score for the weekday war for my  
soul  
Tonight's the night  
I'm gonna lose control  
Gonna hit the floor  
Act a fool

(Boy) You're on the floor now  
Let the music take your soul  
(Boy) You're gonna score now  
Maybe you should just let go

Go, Go  
If something happens on the floor  
Go, Go  
Before they throw us out the door  
Go, Go  
Because we want a little more and we can't find it here  
we got to go

Go, Go  
We got to get it to the spot  
Go, Go  
We got to drop it while it's hot  
Go, Go  
We got to do it when they not  
'Cause we plot quite a lot with the skills that we got

I been waiting for divine inspiration from the radio

station where to go  
To where the club be hopping  
The dj be dropping  
Beat boxers boxing with some popping and locking  
Mc's macking  
Stalking folks  
Lyrically attacking squawking jokes  
Got the bouncers bounding  
Got to get pounding  
When the vibe starts winding got to go

'Cause we plot quite a lot with the skills that we got

We gotta step, Step  
Gotta hustle, Hustle  
We gotta get 'em, Get 'em  
We gotta move, Move  
We gotta cut, Cut  
We gotta get up, Get up  
Get ready,  
Steady  
Gotta go

C'mon, c'mon  
All my girls say
