When the storm clouds gather far across the sea  
Let us pledge allegiance to a land that's free  
Let us all be grateful to a land that's fair  
As we raise our voices in a solemn prayer

God Bless America, land that I love  
Stand beside her and guide her  
Through the night with a light from above  
From the mountains to the prairies  
To the oceans white with foam

God Bless America, my home sweet home  
God Bless America, my home sweet home

God Bless America, land that I love  
Stand beside her and guide her  
Through the night with a light from above  
From the mountains to the prairies  
To the oceans white with foam

God Bless America, my home sweet home  
God Bless America, my home sweet home  
God Bless my home, America
