Them that's got shall have
Them that's not shall lose
So the Bible says and it still is news
Mama may have, Papa may have
But God bless the child that's got his own, that's got his
own

Yes the strong get smart
While the weak ones fade
Empty pockets don't ever make the grade
Mama may have, Papa may have
But God bless the child that's got his own, that's got his
own

Money, you've got lots of friends
They're crowding around your door
But when you're gone and spending ends
They don't come around no more
Rich relations give crusts of bread and such
You can help yourself, but don't take too much
Mama may have, Papa may have
But God bless the child that's got his own, that's got his
own

Money you've got lots of friends
Crowding around your door
When you're gone and spending ends
They don't come around no more
Rich relations, they give crusts of bread and such
You can help yourself, but don't take too much off
Mama may have, Papa may have
But God bless the child that's got his own, that's got his
own

Here just don't worry about nothing cause he's got his
own.
