I've seen a lot of places
I've been around the world
I've seen some pretty faces
Been with some beautiful girls

After all I've witnessed
One thing still amazes me
Just like a miracle
You have to see to believe

'Cause God blessed Texas with His own hand
Brought down angels from the promised land
Gave them a place where they could dance
If you wanna see Heaven, brother, here's your chance
I've been sent to spread the message
God blessed Texas

First, He let the sun shine
Then He made the waters deep
Then He gave us moonlight
For all the world to see

Well everybody knows that the
Lord works in mysterious ways
He took a rest, then on the very next day

God blessed Texas with His own hand
Brought down angels from the promised land
Gave them a place where they could dance
If you wanna see Heaven, brother, here's your chance
I've been sent to spread the message
God blessed Texas

God blessed Texas with His own hand
Brought down angels from the promised land
Gave them a place where they could dance
If you wanna see Heaven, brother, here's your chance
I've been sent to spread the message
God blessed Texas

Well I've been sent to spread the message
God blessed Texas

Well I've been sent to spread the message
God blessed Texas
