Me and Lucifer
Lucifer and me
Just like the angel that fell
Banished forever to Hell
Today have I been expelled
>From high school heaven
Elevator going down
Going down
This is my doom, my humiliation
October, not June
And it's summer vacation
Such a disgrace
How can i face the nation?
Why should this pain
Bring me such strange elation?
Emancipation proclamation
Oh Dr. Lincoln
My head needs shrinkin'
Lu lu lu lu lu lu Lucifer and me
Doomed from here
To e-ter-ni-ty!
Everybody going down down down
Going down
Forgive me if I don't cry
It's like the Fourth of July
Thank God that angels can fly
Going down down down
