There's a thousand words that I could say  
To make you come home, yeah  
Seems so long ago you walked away  
And left me alone  
And I remember what you said to me,  
You were acting so strange  
And maybe I was too blind to see  
That you needed a change

Was it something I said, to make you turn away  
To make you walk out and leave me cold  
(Mmm Mmm Mmm Mmm Mmm)  
If I could just find a way  
To make it so that you were right here,  
right now

Chorus:  
I've been sitting here  
Can't get you off my mind (Can't get you off my mind)  
I'm tryin' my best to be a man and be strong  
I drove myself insane  
Wishing I could touch your face (I could touch your  
face)  
But the truth remains,

You're gone  
You're gone  
Baby you're gone (you're gone)  
Baby girl you're gone  
You're gone, you're

Now I don't wanna make excuses, baby  
Won't change the fact that your gone (no, no)  
But if there's something that I could do,  
Won't you please let me know  
The time is passing so slowly now,  
Guess that's my life without you (Guess that's my life  
without you)  
And maybe I could change my everyday,  
But baby I don't want to

So I'll just hang around and find some things to do

To take my mind off missing you (take my mind off  
missing you)

And I know in my heart, you can't say that you don't  
love me too

Please say you do, yeah

Chorus:

I've been sitting here (Sitting here)

Can't get you off my mind (Can't get you off my mind)

I'm tryin my best to be a man and be strong (My best to  
be a man and be strong)

I drove myself insane

Wishing I could touch your face (Wishing I could touch  
your face)

But the truth remains, (Truth remains)

You're gone

You're gone

You're gone (you're gone)

You're gone

You're gone

What will I do if I can't be with you?

Tell me where will I turn to, baby who will I be?

Now that we are apart, am I still in your heart?

Baby why don't you see that I need you here with me?

Chorus:

I've been sitting here (Sitting here)

Can't get you off my mind (Can't get you off my mind)

I'm tryin my best to be a man and be strong (My best to  
be a man)

I drove myself insane

Wishing I could touch your face (Ooh touch you baby)

But the truth remains (The truth remains)

I've been sitting here (Sit in here)

Can't get you off my mind (Can't get you off my mind)

I'm tryin my best to be a man and be strong (My best to  
be a man)

I drove myself insane (Ooh)

Wishing I could touch your face (Ooh)

But the truth remains, (Ooh, Maybe the truth is yours)

You're gone

You're gone

You're gone (you're gone)

Baby girl you're gone

You're gone

But the truth remains, you're.
