(harmonica intro)

Hello, little school girl
Good mo'nin, little school girl
Can I go home with you?
Can I go home, later wit' you?
Now, you can tell yo' mother an' yo' father, um
That Sonny Boy's a little school boy, too

I woke up-a this mo'nin'
I woke up-a this mo'nin'
Lord, n' I couldn't make me no
Lord, I couldn't make me, no town
Well, but I didn't have no blues, woman
But I was all messed up 'n down

Now, you be my baby, mm
Come on an' be my baby, mm
I'll buy you a diamond
I'll buy you a diamond ring
Well, if you don't be my little woman
Then I won't buy you a doggone thing

I'm 'on buy me a airplane
I'm 'on buy me a airplane
I'm 'on fly all over this land
I'm 'on fly all over this land's town
Don't find the woman that I'm lovin'
Then I ain't goin' to let my airplane down

(harmonica & guitar)

I do no hollerin'
I do no hollerin'
Baby, what in this world, I'm gon' do
Baby, what in this world, I'm gon' do
Well, said I don't wan' never hurt yo' feelin'
Or either get mad what you do.
