What you find?
What you feel now?
What you know?
To be real

What you find?
(I think I love you, baby)
What you feel now?
(I feel I need you, baby)
What you know?
To be real

Your love's for real now
You know that your love is my love
My love is your love
Our love is here to stay

What you find?
(I think I love you, baby)
What you feel now?
(I feel I need you, baby)
What you know?
To be real

Your love's for real now
You know that your love is my love
And my love is your love
Our love is here to stay

What you find?
(I think I love you, baby)
What you feel now?
(I feel I need you, baby)
What you know?
To be real

What you find?
(I think I love you, baby)
What you feel now
(I feel I need you)
What you know?
To be real

It's got to be real
To be real
It's got to be real
To be real

I gotta have it, baby
I gotta have it, baby
I gotta have it, baby
I gotta have it, baby

Well, I gotta have it, baby
Well, I gotta have it, baby
Well, I gotta have it, baby
Well, I gotta have it, baby

Well, I gotta have it, baby
Well, I gotta have it, baby
Well, I gotta have it, baby
Well, I gotta have it, baby

What you find?
What you feel now?
What you know?
To be real

To be real
It's got to be real, it's got to be real
To be real
It's got to be real, it's got to be real

To be real
It's got to be real, it's got to be real
To be real
It's got to be real, it's got to be real

To be real
To be real
