It sure it is mellow grazin' in the grass  
(Grazin' in the grass is a gas, baby, can you dig it?)  
What a trip, just watchin' as the world goes past  
(Grazin' in the grass is a gas, baby, can you dig it?)  
There are so many groovy things to see while grazin' in  
the grass  
(Grazin' in the grass is a gas, baby, can you dig it?)  
Flowers with colors, back makin' everything outta sight  
in the grass  
(Grazin' in the grass is a gas, baby, can you dig it?)

The sun beaming down between the leaves  
(Grazin' in the grass is a gas, baby, can you dig it?)  
And the birds dartin' in and out of the trees  
(Grazin' in the grass is a gas, baby, can you dig it?)

Everything here is so clear, you can see it  
And everything here is so near, you can feel it  
And it's real, so real, so real, so real, so real, so real  
Can you dig it?

I can dig it, he can dig it, she can dig it  
We can dig it, they can dig it, you can dig it  
Oh, let's dig it, can you dig it, baby?  
I can dig it, he can dig it, she can dig it  
We can dig it, they can dig it, you can dig it  
Oh, let's dig it, can you dig it, baby?
