Wake up in the morning and it's hard to live.
Hard to live, yes, it's hard to live
And it will be a long time before shit starts to give,
And every single day it's getting harder to give,
But god would be up for being down with a ho.
Lord knows that i got fuckin' mic control.
Do you got the mic control?
You notice your style is well original.

This man, makin money,
How i know.
It wont be no man of me.
In my bed i watch t.v.
I'm drunk by noon,
But that's o.k.
I'll be president someday.
Light my cigarette and
I think that bert susanka made me drink.
Load the box and then pump that shit.
Got my greatest hits.
Got my greatest hits.

Is this band, makin money?
I don't know.
The writing on the wall.
All my friends drink alcohol.
I'm too drunk to light the bong.
I'm too stoned to write this song.
Light my cigarette and
I think that bert susanka made me drink.
Load the box and then pump that shit.
Got my greatest hits
