Don't mind the wind or the rolling sea  
The weary night never worries me  
But the hardest time in a sailor's day  
Is to watch the sun as it dies away

The finest ship that sails the sea  
Is still a prison for the likes of me  
But give me wings like Noah's dove  
I'll fly up harbor to the one I love

It's one more day on the grey funnel line

Every time I gaze behind the screws  
Makes me long for St Peter's shoes  
I'd walk on down that silver lane  
And take my girl in my arms again

It's one more day on the grey funnel line

Oh Lord, if dreams were only real  
I'd have my hands on that wooden wheel  
And with all my heart I would turn her 'round  
And tell the boys that we're homeward bound

I'll pass the time like some machine  
Until blue water turns to green  
Then I'll dance down and I'll run ashore  
And sail the Grey Funnel Line no more.

It's one more day on the grey funnel line
