[Verse 1:]

Do you remember me?
I sat upon your knee
I wrote to you with childhood fantasys
Well, I'm all grown up now
And still help somehow?
I'm not a child, but my heart still can dream
So here's my life-long wish
My grown up Christmas list
Not for myself, but for a world in need

[Chorus:]

No more lives torn apart
That wars will never start
And time will heal our hearts
Every one will have a friend
That right will always win
And love will never end
This is my grown up Christmas list

[Verse 2:]

May kindness rule our lives
Not just the strong survive
Sweet tears for all the thousand years gone by
This is the world I pray
We will all share someday
Help me begin by reaching out my hand

[Chorus:]

No more lives torn apart
That wars will never start
And time will heal our hearts
Every one will have a friend
That right will always win
And love will never end
This is my grown up Christmas list

[Verse 3:]

What is this illusion called
The innocence of youth
Maybe only in that blind belief can we ever find the

truth

[Chorus:]

No more lives torn apart
That wars will never start
And time will heal our hearts
Every one will have a friend
That right will always win
And love will never end
This is my grown up Christmas list

This is the year I hope you hear
This is my grown up Christmas list
Ooh.....
Christmas list.....
