We feel the beating of our hearts together  
This our time to rise above  
We know the chance is here to live forever  
For all time  
(Reffrain:)  
Hand in hand we stand  
All across the land  
We can make this world a better place in which to live  
Hand in hand we can  
Start to undrestand  
Breaking down the walls that come between us for all  
time  
Arirang  
Everytime we give it all  
We feel the flame eternally inside us  
Lift our hands up to the sky  
The morning calm helps us to live in harmony  
For all time  
(Reffrain X2)
