Well, now I found myself  
Wish I was someone else  
My hands were stained with love  
Wish I could take it away

I hid behind the shell  
In time the pain will melt  
My heart is stained with love  
Wish I could fake it

I gave my life away  
There's nothing left to say  
I gave my life away  
You take it in your way  
You take it in your way

My selfish enemy  
Still has the best of me  
Empty and feeling numb  
Wish I could take it away

I can't control the need  
To weak to not concede  
Wish I was deaf and dumb  
Wish I could fake it

I gave my life away  
There's nothing left to say  
I gave my life away  
You take it in your way

I gave my life away  
There's nothing left to say  
I gave my life away  
You take it in your way

I can't pretend we're the same  
I can't pretend we're the same  
I can't pretend we're the same

Oh, now I found myself  
Wish I was someone else

My hands were stained with love  
Wish I could fake

I gave my life away  
There's nothing left to say  
I gave my life away  
You take it in your way

I gave my life away  
There's nothing left to say  
I gave my life away  
You take it in your way

You take it in your way  
You take it in your way  
You take it in your way  
You take it in your way
