The Hives

Do what I want cause I can and if I don't
because I wanna be ignored by the stiff and the bored
because I'm gonna.

Spit and retrieve cause I give and receive
because I wanna gonna get through your head what
the mystery man said
because I'm gonna.

Hate to say I told you so.

I do believe I told you so.

Now it's all out and you knew cause I wanted to.

Turn my back on the rot that's been planning the plot -
because I'm gonna.

No need for me to wait - because I wanna.

No need two, three and too late - because I'm gonna.

Hate to say I told you so.

I do believe I told you so.

Do what I please gonna spread the disease
because I wanna gonna call all the shots for the "No"s
and the "Not"s
because I wanna.

Ask me once I'll answer twice cause what I know I'll tell
because I wanna.

Sound device and lots of ice I'll spell my name out loud
because I wanna, oh yeah?
