Play with me, run with me
Have a little fun with me
Get the hose and make mud with me
Show me the scabs on both your knees

Climb on me, tickle me
Play with me and run with me
Dance with me, sing with me
Have a little fun with me

Stare at each other till we start laughing
Splash me in the deep blue see
Pick some plums off the old the plum tree
Dance with me, sing with me

We've got all day, what do you wanna do? Play
Just you and me
There's nowhere else I'd rather be here with
Havin' fun, making faces, said, "I love you"

Play with me, run with me
Have a little fun with me
Stay out late and watch stars with me
Camp out in the backyard with me
Wake up for pancakes and blueberries
You'll have coco, I'll have tea

Brand new day, it's still early
So, play with me, run with me
Play with me, run with me
Play with me, run with me
And have a little fun with me
