Ev'ry day I feel love growin  
What you say about it showin  
And who's this guy sayin  
That he knows how to mystify  
You know they just come and go honey

He wants to hold you  
Don't you let him try  
He says he needs you  
But you better pass him by

Cause he can't love you like I love you  
Just let me prove it to you  
He can't love you like I love you  
So good as usin' you  
But he can't love you like I love you  
Well come on let the provin begin  
Ooh let me in, let me in  
Let me in, let me in baby

Any way that you want to  
Anything that I can show you  
Listen to me  
You won't be regrettin  
And the time we spend  
Well we won't be forgettin baby

Cause when I hold you  
Gonna show you why  
It's like I told you  
I'm no ordinary guy

And he can't love you like I love you  
Just let me prove it to you  
He can't love you like I love you  
So good at usin you  
But he can't love you like I love you  
Well come on let the provin begin  
Ooh let me in, let me in  
Let me in, let me in
