Morning came and I was on my way, when you
reminded me
I had too soon forgotten, it was you who set me free
Yeah you were here when I came and you'll be here
when I'm gone
So don't be waiting for love, 'cause I'll be waiting to
ramble on

Headed for a heartbreak, headed for a heartbreak

Darling don't wait up for me, tonight I won't be home
You've become a stranger, I just got to be alone
Don't need nobody on my side to dull the blade I'm on
So don't be waiting for love, 'cause I'll be waiting to
ramble on

Headed for a heartbreak,
headed for a heartbreak,
headed for a heartbreak

It's no mistake, don't you think I can feel the pain
I walk away to live again

(Solo)

Headed for a heartbreak,
headed for a heartbreak,
don't make me hurt you
Headed for a heartbreak,
well I know that I'm headed for a heartbreak

Don't you think I feel the pain...
