They're working while I'm missing you
Those healing hands of time
And soon they'll be dismissing you
From this heart of mine

They'll lead me safely through the night
And I'll follow as though blind
My future tightly clutched
Within those healing hands of time

They let me close my eyes
Just then those healing hands of time
And soon they'll let me sleep again
Those healing hands of time

So already I've reached mountain peaks
And I've just begun to climb
I'll get over you by clinging to
Those healing hands of time
I'll get over you by clinging to
Those healing hands of time
