Oh baby do you know that truth
Oh, heaven is a place on earth
The say in heaven, love comes first
We'll make heaven a place on earth
Oh, heaven is a place on earth

When the night falls down, I wait for you, and you come
around
And the world's alive with the sound of kids on the
street outside
When you walk into the room you pull me close and we
start to move
And we're spinning with the stars above and lift me up
in a wave of love

Oh baby do you know that truth
Oh, heaven is a place on earth
The say in heaven, love comes first
We'll make heaven a place on earth
Oh, heaven is a place on earth

When I feel alone, I reach or you and you bring me
home
When I'm lost at sea, I hear your voice and it carries me
In this world we're just beginning to understand the
miracle of living
Baby I was afraid before, I'm not afraid, anymore

Oh baby do you know that truth
Oh, heaven is a place on earth
The say in heaven, love comes first
We'll make heaven a place on earth
Oh, heaven is a place on earth

In this world we're just beginning to understand the
miracle of living
Baby I was afraid before but I'm not afraid, anymore

Oh baby do you know that truth?
Oh, heaven is a place on earth
The say in heaven, love comes first
We'll make heaven a place on earth

Oh, heaven is a place on earth

Oh baby do you know that truth

Oh, heaven is a place on earth

The say in heaven, love comes first

We'll make heaven a place on earth

Oh, heaven is a place on earth
