Heaven  
It's the whole of our heart  
And heaven  
Don't set you apart

Heaven  
It's the whole of our heart  
And heaven  
Don't set you apart

There's too many kids wanna hold you down  
There's a world at their window from underground  
There's a whole in the sky where the sun don't shine  
The clock on the wall, and it counts my time

Heaven  
It's the whole of our heart  
And heaven  
Don't set you apart

Heaven  
It's the whole of our heart  
And heaven  
Don't set you apart

There's a song on the air with a love you line  
There's a face in the glass and it looks like mine  
And I'm standing on ice when I say that I don't hear  
things  
And scream at the fools wanna jump my train

Heaven  
It's the whole of our heart  
And heaven  
Don't set you apart

Heaven  
It's the whole of our heart  
And heaven  
Don't set you apart

Heaven

In heaven  
In heaven  
In heaven
