Love sometimes
Can be like destiny
There's no way to say forever
May not realize your dreams

Love sometimes
Is like the blowin' wind
It can take us to wherever
Sending us on silent wings

But I have broken
All the rules of love
I never dreamed
That I could come this far

And now I'm lost in my emotions
You're becoming my devotion
There's nothing I can do
To stop this love for you

I was not supposed
To fall in love with you
I have someone else
Someone else is loving you

I was not supposed
To let this love get through
(Let love get through)
So let me say for real
Heaven's what I feel when I'm with you
(This feeling is forever)

It is forever
(You make me feel like heaven)
I feel like heaven
(My love is true when I'm with you, ooh)

How could I have known that in your eyes
(In your eyes)
I would find the deepest answer
To the questions of my heart

And how could I have known that by your side
(By your side)
Was the light to fill the darkness
And the shadows of my life

But I have broken
All the rules of love
I never dreamed
That I could come this far

And now I'm lost in my emotion
You're becoming my devotion
There's nothing I can do
To stop this love for you

I was not supposed
To fall in love with you
I have someone else
Someone else is loving you

I was not supposed
To let this love get through
(Let love get through)
So let me say for real
Heaven's what I feel when I'm with you
(This feeling is forever)
(You make me feel like heaven)
(My love is true when I'm with you)

(Heaven, heaven)
Is what I feel when were together
(Heaven, heaven)
Just look in my eyes
You'll see it's the truth

I was not supposed
To fall in love with you
I have someone else
Someone else is loving you

I was not supposed
To let this love get through
(Let love get through)
So let me say for real
Heaven's what I feel

I was not supposed
To let this love get through
(Let love get through)
So let me say for real
Heaven's what I feel when I'm with you
