Here comes the sun, here comes the sun  
And I say it's all right

Little darling, it's been a long cold lonely winter  
Little darling, it feels like years since it's been here  
Here comes the sun, here comes the sun  
And I say it's all right

Little darling, the smile's returning to the faces  
Little darling, it seems like years since it's been here  
Here comes the sun, here comes the sun  
And I say it's all right

Sun, sun, sun, here he comes  
Sun, sun, sun, here he comes  
Sun, sun, sun, here he comes  
Sun, sun, sun, here he comes  
Sun, sun, sun, here he comes

Little darling, I feel that ice is slowly melting  
Little darling, it seems like years since it's been clear  
Here comes the sun, here comes the sun  
And I say it's all right

Here comes the sun, here comes the sun  
And I say it's all right, it's all right
