Hey young world, the world is yours
Hey young world, the world is yours
Young world, young world the world is yours
Young wo huh huh huh urld

This rap here it may cause concern it's
Broad and deep why don't you listen and learn
Love means happiness that once was strong
But due to society even that's turned wrong

Times have changed
And it's cool to look bummy
And be a dumb dummy
And disrespect your mummy

Have you forgotten who put you on this earth, huh?
Who brought you up right and who loved you since your
birth?
Reward is a brainwashed kid goin' wild
Young little girls already have a child

Bad company hey, now you've been framed
Your parents are hurting, hurted and ashamed
You're ruining yourself and your mommy can't cope
Hey, little kids don't follow these dopes

Here's a rule for the non-cool, your life don't drool
Don't be a fool like those that don't go to school
Get ahead and accomplish things
You'll see the wonder and the joy life brings

Don't admire thieves hey, they don't admire you
Their time's limited, hard rocks too
So listen, be strong, scream whoopee-doo
Go for yours, 'cause dreams come true

And you'll make your mommy proud, so proud of you
too
And this is a message that the Ruler Rick threw and it's
true

You know, you know what, you know what, you know

what?
We like to party, like to party
You know, you know what, you know what, you know
what?
(Hey young world the world is yours)
We like to party, like to party
(Hey young world)
You know, you know what, you know what, you know
what?
We like to party, like to party
Yo peep this

Hey Mr. Big shot hey, don't you look fly?
But you don't have a nickle oh, my, my, my
You've been fightin' again and you forgot why
Hey kid, walk straight, master your high
Why? Because you make your family cry
And all jokes aside, are you in good health?

Hey little boy now have you really checked yourself?
You're a disgust, you know someone that I can't trust,
you'd
Steal mom's welfare and you'd run and buy some dust,
and
Plus, a must so big shot you're not

Your friends are talkin' and I'm hearin' that your girls
are what?
You didn't know? Go steal and rob
And while you're at it go get a suit for a job
You see you're actin' like this urge is demandin'

C'mon, wake up have some understandin'
Society's a weak excuse for a man
It's time for the brothers rap is trying to take the stand
Believe it or not, the Lord, still shines on you deep

Guides you and he watched you as you grew, plus
Past the age of a little child, that's true
But folks your age don't act like you do so, so be
mature
And put the point to a halt and if you're over eighteen

I wish you'd act like an adult
Don't live in a world of hate, hate, hate
Pull yourself together and get yourself straight
Men don't steal hey, most don't borrow
And if you smoke crack, your kids will smoke crack
tomorrow

So be more mature and kids do your chores

Make your own money hey, be proud that's yours
You know why, 'cause that's a man that's brains no
spite
Stayin' out of trouble when it comes in sight
And a man never loses a fight

In God's sight 'cause righteous laws are overdue
And this is a message that the Ruler Rick threw and it's
true

You know, you know what, you know what, you know
what?
We like to party, like to party
You know, you know what, you know what, you know
what?
(Hey young world the world is yours)
We like to party, like to party
(Hey young world)
Yo peep this
