Think about it  
There must be higher love  
Down in the heart or  
Hidden in the stars above  
Without it, life is wasted time  
Look inside your heart  
I'll look inside mine

Things look so bad everywhere  
In this whole world, what is fair  
We will walk the line  
We try to see  
Falling behind in what could be

Bring me a higher love  
Bring me a higher love oh  
Bring me a higher love  
Where's that higher love  
I keep thinkin' of

Worlds are turnin'  
And we're just hangin' on  
Facing our fear  
And standin' out there alone  
A yearnin' and it's real to me  
There must be someone  
Who's feelin' for me

Things look so bad everywhere  
In this whole world, what is fair  
We will walk the line  
And we try to see  
Falling behind in what could be

Bring me a higher love  
Bring me a higher love oh  
Bring me a higher love  
I could rise above  
For a higher love

I will wait for it  
I'm not too late for it

Until then I'll sing my song  
To cheer the night along

I could light the night up  
With my soul on fire  
I could make the sunshine  
From pure desire  
Let me feel that love come over me  
Let me feel how strong it could be

Oh, bring me a higher love  
Bring me a higher love oh  
Bring me a higher love  
Bring me a higher love  
Bring me a higher love  
Bring me a higher love

Bring me a higher love  
Bring me a higher love  
Bring me a higher love  
Bring me a higher love  
Bring me a higher love  
Bring me a higher love
