I'm tired of all your excuses  
I'm tired of all your lies  
Your filthy schemes and abuses  
Ooh, I've finally grown wise  
Got tired of chasin' it down  
Baby it's better that I'm not around

And I'm on the highway to nowhere  
Tryin' to get high without you  
I don't know why it took me so long to  
Wind up back at nowhere with you, oh  
Wind up back at nowhere with you  
Wind up back at nowhere  
Wind up back at nowhere with you

It's time for a little payback  
It's time for a little respect  
You can't just rewind and playback  
All of the shit that you wrecked

And I'm on the highway to nowhere  
Tryin' to get high without you  
I don't know why it took me so long to  
Wind up back at nowhere with you, oh  
Wind up back at nowhere with you  
Wind up back at nowhere  
Wind up back at nowhere with you

And I'm on the highway to nowhere  
Tryin' to get high without you  
I don't know why it took me so long to  
Wind up back at nowhere with you  
Wind up back at nowhere with you, oh  
Wind up back at nowhere with you, oh yeah  
Wind up back at nowhere  
Wind up back at nowhere with you  
Wind up back at nowhere with you  
Wind up back at nowhere with you

Back at nowhere, nowhere, wind up back with you  
I'm back at nowhere, nowhere, wind up back with you

Back at nowhere, nowhere, wind up back with you  
I'm back at nowhere, nowhere, wind up back with you

Let's go home  
We are awesome
