Well you're a real tough cookie with a long history
Of breaking little hearts like the one in me
That's OK, let's see how you do it
Put up your dukes, let's get down to it
Hit me with your best shot
Why don't ya hit me with your best shot
Hit me with your best shot
Fire away
You come on with a come on, you don't fight fair
That's OK, see if I care
Knock me down, it's all in vain
I get right back on my feet again
Hit me with your best shot
Why don't ya hit me with your best shot
Hit me with your best shot
Fire away
Well you're a real tough cookie with a long history
Of breaking little hearts like the one in me
Before I put another notch in my lipstick case
You'd better make sure you put me in my place
Hit me with your best shot
Come on! Hit me with your best shot
Hit me with your best shot
Fire away
Hit me with your best shot
Why don't ya hit me with your best shot
Hit me with your best shot
Fire awaaaay-hey-hey
