You tried so hard to be someone  
That you forget who you are  
You tried to fill some emptiness  
Till all you had spilled over

Now everything's so far away  
That you don't know  
Where you are  
You are

When all that you wanted  
And all that you have  
Don't seem so much  
For you to hold on to  
For you to hold on to  
For you to belong to

When it's hard to be yourself  
It's not to be someone else  
Still everything's so far away  
That you forget where you are  
You are

When all that you wanted  
And all that you have  
Don't seem so much  
For you to hold on to  
For you to hold on to

Hold on  
Hold on  
Hold on  
Hold on  
Hold on  
Hold on  
Hold on  
Hold on

When all that you wanted  
And all that you have  
Don't seem so much

For you to hold on to  
For you to hold on to  
For you to hold on to  
For you to belong to
