And if it's bad don't let it get you down
You can take it
And if it hurts don't let them see you cry
You can fake it

Hold your head up, woman
Hold your head up, woman
Hold your head up, woman
Hold your head high

Hold your head up, woman
Hold your head up, woman
Hold your head up, woman
Hold your head high

And if they stare just let them burn their eyes
On you moving
And if they shout don't let it change a thing
That you're doing

Hold your head up, woman
Hold your head up, woman
Hold your head up, woman
Hold your head high

Hold your head up, woman
Hold your head up, woman
Hold your head up, woman
Hold your head high

Hold your head up
Hold your head up
Hold your head up

Hold your head up, woman
Hold your head up, woman
Hold your head up, woman
Hold your head high

Hold your head up, woman
Hold your head up, woman
Hold your head up, woman

Hold your head high

And if they stare just let them burn their eyes
On you moving
And if they shout don't let it change a thing
That you're doing

Hold your head up, woman
Hold your head up, woman
Hold your head up, woman
Hold your head up, woman

Hold your head up, woman
Hold your head up, woman
Hold your head up, woman
Hold your head up, woman
