Just around the corner there's heartaches.  
Down the street that loser's you.  
If you can wade in through the teardrops,  
you'll find me at the home of the blues.

I walk and I cry while my heartbeats.  
Keeps time with the drag of my shoes.  
The sun never shines through this window of mine:  
It's dark in the home of the blues.

Oh but the place, is filled with the sweetest memories,  
memories so sweet that I cry.  
Dreams that I've had left me feeling so bad,  
I just want to give up and lay down and die.

So if you just lost your sweetheart,  
And it seems there is no good way to choose,  
Come along with me, misery loves company.  
You're welcome at the home of the blues.

[Guitar Solo]

Just around the corner there's heartaches.  
Down the street that losers use.  
If you can wade in through the teardrops,  
you'll find me at the home of the blues.  
Yeah you're gonna find me at the home of the blues.
