Written by Terry Britten and Sue Shifrin
Sung by Christopher Atkins

I know she'll never understand.
I gave my word before we met,
So I just can't go breaking it.
She'll say she thinks I'm out of touch
I've let my duty, honorbound, come between the love
we've found.

Chorus:
How can I live without her when she's all I'm livin' for?
(I'm livin'
for) How can I live without her, live like I did before?
Now I can see
through her eyes how good love could be How can I live
without her
when she's gone?

No matter what the future brings,
I'll hold the memories in my heart
No matter how long we're apart.
She'll always be the only one,
Her name forever on my lips
She's slipping through my fingertips.

Chorus
