It's another one of them old funky Cypress Hill things
You know what I'm sayin'?
And it goes like this

Hey, don't miss out on what you're passing
You're missing the hootah of the funky Buddha
Eluder of your fucked-up styles, I get wicked
So come on as Cypress starts to kick it
'Coz we're like the outlaws stridin' while suckers are
hidin'
Jump behind the bush when you see me drivin' by
Hanging out the window with my magnum taking out
some puto's
Acting kind of loco, I'm just another local
Kid from the street getting paid from my vocals

Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man

Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand

I'm ignoring all the dumb shit
Yo, because nothing is coming from it
I'm not gonna waste no time fuckin' around my gat
straight humming
Hummin', coming at ya
Yeah, ya know I had to gatt ya

Time for some action, just a fraction of friction
I got the clearance to run the interference
Into your satellite shining a battle light
Sen got the gatt and I know that he'll gatt you right
Here's an example, just a little sample
How I could just kill a man
One-time tried to come in my home
Take my chrome, I said, "Yo, it's on!"

Take cover son or you're assed-out
How do you like my chrome then I watched the rookie
pass out
Didn't have to blast him but I did anyway
That young punk had to pay, so I just killed a man

Here is something you can't understand
How I could just kill a man

What does it all mean?
What does it all mean?
What does it all mean?
What does it all mean?

It's gonna be a long time before I finish
One of the many missions that I had to establish
To light my spliff, ignite you with these insight
So if you ain't down, bullshit!
Say some punk tried to get you for your auto
Would you call the one-time and play the role model?
No, I think you'll play like a thug
Next you hear the shot of a magnum slug

Humming coming at ya
Yeah, ya know I'm gonna gatt ya!
How you know where I'm at when you haven't been
where I've been?
Understand where I'm coming from
When you're up on the hill in your big home
I'm out here risking my dome
Just for a bucket or a fast duck it
Just to stay alive, yo, I got to say, "Fuck it!"

Here is something you can't understand
How I could just kill a man

Here is something you can't understand

"All I wanted was a Pepsi!"
What does it all mean?
