Look at me, Look at me  
I am changing  
Trying every way I can  
I am changing  
I'll be better than I am  
I'm trying to find a way to understand  
But I need you, I need you  
I need a hand  
I am changing  
Seeing everything so clear  
I am changing  
I'm gonna start right now, right here  
I'm hoping to work it out  
And I know that I can  
But I need you, I need a hand

All of my life I've been a fool  
Who said I can do it all alone  
How many good friends have I already lost?  
How many dark nights have I known?  
Walking down that wrong road  
There was nothing I could find  
All those years of darkness  
Can make a person blind  
But now I can see

I am changing  
Trying every way I can  
I am changing  
I'll be better than I am  
But I need a friend  
To help me start all over again  
That would be just fine  
I know it's gonna work out this time  
'Cause this time I am  
This time I am  
I am changing  
I'm getting my life together now  
I am changing  
Yes I know how  
I'm gonna start again

I'm gonna leave my past behind  
I'll change my life  
I've made a vow  
And nothing's gonna stop me now
