I believe in love
I believe in love
I believe in love
I do believe in love

I believe that now is the time
For all good men, I believe in love
I believe that now is the time
For all good men to come to the aide of

My country, 'tis of thee
Sweet land of liberty
God save

I believe in love
Do you believe in love?
Will you believe in love?
You better believe in love

I believe that now is the time
For all men to come to the aide of
Love, I believe in love
