I have often dreamed of a far off place
Where a hero's welcome will be waiting for me,

Where the crowds will cheer
When they see my face
And a voice keeps saying, "this is where I'm meant to be."

I'll be there someday,
I can go the distance.
I will find my way
If I can be strong.

I know every mile
Will be worth my while,
When I go the distance,
I'll be right where I belong.

Down an unknown road
To embrace my fate;
Though that road may wander
It will lead me to you.

And a thousand years
Would be worth the wait.
It may take a lifetime,
But somehow i'll see it through.

And I won't look back
I can go the distance
And I'll stay on track
No, I won't except defeat.

It's an uphill slope,
But I won't lose hope
'Til I go the distance
And my journey is complete.

But to look beyond the glory is the hardest part,
For a hero's strength is measured by his heart.

Like a shooting star,

I will go the distance.
I will search the world,
I will face its harms.

I don't care how far,
I can go the distance
'Til I find my hero's welcome waiting in your arms.

I will search the world,
I will face its harms
'Til I find my hero's welcome waiting in your arms.
