I am not a baby anymore  
I am not a same sin as before  
I see it in the mirror in my room  
And I can feel it stronger in my soul

But I don't know if it's the right day for this word  
Now I say things I didn't say before  
I need an explanation, tell me more  
Why am I alone now? I don't know

How can I live forever? I don't know  
Where can I find Heaven? I don't know  
What is going to happen? I don't know  
Why am I alone now? I don't know

I don't know  
I don't know

I don't know  
Why am I alone now? I don't know

Why am I alone now? I don't know

I don't know  
I don't know  
I don't know  
I don't know

I don't know  
I don't know  
I don't know  
I don't know

I live it for my darling and I will  
That am I leaving problems down our feet  
I want to live my feelings day by day  
I like to give emotions in my way

But I don't know if it's the right day for this word  
Now I say things I didn't say before  
I need an explanation, tell me more  
Why am I alone now? I don't know

How can I live forever? I don't know  
Where can I find Heaven? I don't know  
What is going to happen? I don't know  
Why am I alone now? I don't know

I don't know  
I don't know

I don't know  
Why am I alone now? I don't know

Why am I alone now? I don't know
