I feel you
Your sun, it shines
I feel you
Within my mind

You take me there
You take me where the kingdom comes
You take me to
And lead me through to Babylon

And this is the morning of our love
It's just the dawning of our love

I feel you
Your heart, it sings
I feel you
The joy it brings

Where Heaven waits
Those golden gates and back again
You take me to
And lead me through oblivion

And this is the morning of our love
It's just the dawning of our love

I feel you
Your precious soul and I am whole
I feel you, your rising sun
My kingdom comes

I feel you
Each breath you take
I feel you
Each move you make

Where angels sing
And spread their wings, my love's on high
You take me home
To glory's throne, by and by

And this is the morning of our love

It's just the dawning of our love

It's just the morning of our love

It's just the dawning of our love
