I walk in silence when it comes  
This feeling when the spirit leads me on  
If the dogs are barking and the night is rough  
I take it as a sign to climb above  
The city to heal among the clouds  
Where I can see my Savior now  
He's waiting with his palm to me outstretched  
His mercy is a balm when I'm perplexed

I find Jesus (I find Jesus) in the darkest night (I find  
Jesus)  
I find Jesus (I find Jesus) in the morning light (I find  
Jesus)  
I find Jesus in the face of those  
Whose hearts are singing with the heavenly host

Sometimes when I feel all alone  
I look around and all are gone  
The friends that I rely upon  
Are busy doing what they want  
I look within and I am told  
It's Sunday morning in my soul  
And there I find a holy hall  
Where congregations heed the call

I find Jesus (I find Jesus) in the darkest night (I find  
Jesus)  
I find Jesus (I find Jesus) in the morning bright (I find  
Jesus)  
I find Jesus in the face of those  
Whose hearts are singing with the heavenly host

And when I lay down my last time  
And feel a chill run up my spine  
And recognize my time has come  
I'll look around, He'll lead me home  
He'll reach His loving hand to me  
And bid me climb to victory  
Where we'll find kindred spirits there  
Hearts raised in song without a care

I find Jesus (I find Jesus) in the darkest night (I find  
Jesus)  
I find Jesus (I find Jesus) in the morning bright (I find  
Jesus)  
I find Jesus in the face of those  
Whose hearts are singing with the heavenly host
