[Beyonc?]

Hey little lady why you walkin with your head hung low
(mmm)
There's gotta be an answer to whatever you don't know
(yeah)
Got Little Man in the stroller lookin at ya
Dont understand but I know this time is sad
Why ya runnin away
When you're problem's gonna find you
Dry your eyes and take the time to pray

Cuz I know what you're goin through
Don't let it get the best of you
Everybody goes through things
Don't worry it will be ok
I know what you're goin through
Don't let it get the best of you
Everybody goes through change
And made it through yesterday

[Kelly]

Whatever happen to livin in a world of peace
And equality oh
Wantin the same and we killin one another for greed
And jealousy
(we got)
300 million men and women out there who love
someone
(someone)
Epidemic's got our nation dying young
Better be ready when He comes

Cuz I know what you're goin through
Don't let it get the best of you
Everybody goes through things
Don't worry it will be ok
I know what you're goin through

Don't let it get the best of you
Everybody goes through change
And made it through yesterday

[Michelle]

(Dont you let it)
Dont you let it steal your joy
(Break you down)
I know its gonna be
(Dont you let it)
Alright, yeah
(Steal your joy)
Dont you let it
(I know its gonna be alright)
Keep on fighting
(Just dont give up the fight)
ooh
(Everything will be ok)
As long as you keep Him first
Dont worry no no
(Don't you let it)
The pain that you're goin through,
pain that you're goin through
(Break you down)
Just for a little while
(Dont you let it)
ooh no
(Steal your joy)
(I know its gonna be alright)
don't let the situation steal your joy
(Just dont give up the fight)
Keep your head up, Keep your faith
(Everything will be ok)
Say yeah, yeah yeah
yeah yeah

Cuz I know what you're goin through
Don't let it get the best of you
Everybody goes through things
Don't worry it will be ok
I know what you're goin through
Don't let it get the best of you
Everybody goes through change
And made it through yesterday
